and Practice

Spring Meeting 2016

Prof. Benedict Wilmes did his postgraduate training in oral surgery at the Department of Maxillofacial Surgery at University of Muenster, Germany. Subsequently, he received a postgraduate degree in orthodontics and dentofacial orthopaedics at the University of the Düsseldorf, Germany. In 2004 he became Assistant Professor and in 2013, Professor at the Department of Orthodontics at the University of Düsseldorf. Prof. Wilmes is reviewer of numerous journals and has held more than 250 lectures and courses on skeletal anchorage in 40 different countries all over the world. Prof. Wilmes is a Visiting Associate Professor at the University of Alabama at Birmingham, USA. He was awarded the First Prize of the German Orthodontic Society in 2007 and the First Prize of the European Orthodontic Society in 2009.

"County Meath is one of the most historic regional areas, not just in Ireland, but in all of northwest Europe. In 2010 Fáilte Ireland developed the 'Boyne Valley' as a leading International Tourism Destination and one of the 'Top 10 Must Visits Destinations in Ireland'" www.meath.ie

Dr Ronan Perry (Scientific Secretary)

OSI Meetings are open to registered specialist orthodontists.
