FEATURED SPEAKER

CHRIS LASPOS

DDS, MDS, Dr.med.dent

A specialist orthodontist with particular expertise in craniofacial malformations, Dr Laspos is Assistant Professor in Orthodontics at European University Cyprus and founder of the Cyprus Center for Clefts and Facial Deformities (Medicleft). His training includes orthodontics at the University of Tennessee and a craniofacial fellowship at UT Southwestern. A past President of the European Orthodontic Society, former Chair of the European Board of Aligner Orthodontics and active member of the Angle Society of Europe, he lectures internationally on craniofacial care, orthognathic surgery, multidisciplinary treatment and new technologies in orthodontics.

FRIDAY THEMES

Cleft care | Orthognathic surgery | Digital innovation | Multidisciplinary treatment

SATURDAY SPEAKER

NAZAR BLAZHKIV

Orthodontist & Digital Dentistry Specialist

Dr Nazar Blazhkiv focuses on aligner therapy, digital orthodontics and advanced clinical technologies. He holds a postgraduate diploma in Orthodontics and Dentofacial Orthopedics from the London Dental Institute and has completed advanced studies in Artificial Intelligence through the University of Helsinki. Founder of the aligner brand Reev's and a London Dental Institute lecturer since 2022, he teaches internationally on aligners, CBCT applications and digital workflows. His awards include the World Federation of Orthodontists' Roberto Justus Scholarship at the 2023 AAO Annual Meeting.

SATURDAY THEMES

Aligner biomechanics | Complex cases | Clinical control | Finishing strategies

COURSE FOCUS

A clinically focused meeting spanning contemporary digital planning, orthognathic and craniofacial care, multidisciplinary treatment, clear aligner biomechanics, AI-enabled practice workflows and practical chairside skills for the whole orthodontic team.

WHO SHOULD ATTEND

Specialist orthodontists, postgraduate orthodontic students, orthodontic therapists, dental nurses and practice team members. OSI welcomes affiliated societies under the FEO Same Rate Agreement.
